INSTRUCTIONS

A. One set of complete plans & general plot plan of proposed work site shall be enclosed with this application. Plans and specifications which are made part of this application shall describe the nature of the work to be performed, the materials and equipment to be used and the details of structural, mechanical, electrical and plumbing installations.

B. Applicant **MUST** contact the Department of Environmental Conservation Region 6 Office at 793-2554 to determine the properties status pertaining to wetlands or protected areas that may be within the project

C. A **Building Permit** issued pursuant to this part may be suspended or revoked if it is determined that the work to which it pertains is not proceeding in conformance with the Town of Western Zoning Ordinance (as amended), Town of Western Sub Division Regulations (as Amended), or the State of New York Uniform Building Codes (as Amended) or if there has been a misrepresentation or falsification of a material fact in connection with the application for this permit.

I, HEREBY CETIFY THAT I HAVE READ AND EXAMINED THIS APPLICATION AND KNOW THE SAME TO BE TRUE AND CORRECT.
