Supervisor Davis called the October 29, 2010 Special Town Board meeting to order at 5:15 pm with the Pledge of Allegiance. It was determined a quorum was present.

Supervisor Davis called the special meeting to discuss requests for an increase in funding by the Fire Company. In the 2011 preliminary budget there was no increase in funding to the fire company and only a one year contract.

C/M Mader has met with representatives of the fire company to review their contract for the upcoming year. The fire company is requesting a 2% increase per year and a two year contract. They stated that they need to update their 'turn-out gear' because only five sets of gear meet specifications. They would also like to buy a bigger tanker and eliminate the two smaller ones. Supervisor Davis stated that she has no objection to the increase and has updated the 2011 budget to reflect the increase requested. A short discussion followed concerning both the Western and Lake Delta Fire Co contracts.
